

AS IT WAS ON RUN 3795 AT BUKIT BERUNTUNG (8/8/2016)

HARE :CHRIS TAN

RUN 3794

HARE : CHRIS TAN (VOLUNTEERED
RUN) RUN SITE : BUKIT BERUNTUNG
DISTANCE: 15KM

2 FAULTS TRAIL. 6 CHECKS I CIRCULAR
Front runner: 7.45pm Monkey

After Bukit Beruntung TOL.I start by checking with waze, it will take 58 mins to the runsite. The Gps instructions were blurred and unable to see hhh sign along the road. After a few wrong turning at the junctions, i called thomas chin and ah siong. Ah siong also took the wrong way. Then i saw ah meng and spindle tan's car. I was speeding at 90km/hr along the sandy dusty road without clear vision trying to reach runsite on time.

Ramli beer wagon was behind me. I reached at 5.55p.
The hashers helped to unload all the beers and drinks from Ramli wagon.

Onsec started the run at 6.05pm . It was late already. Total runner 70pax.

1st check was up the hill. The run paper (instructions) was staple on the tree leaf. Fork of the road Monkey, Taufu soo and Barry dawe. Barry calling Onon on my right, all ran up to the top of the hill.

I concentrated on the run and did not notice the 2nd to 6th checks.

At 7pm , I saw monkey at the rubber plantation followed by Ah meng. And they told me that the caught by big Circular about 1KM,So caused them to be behind me.

The sky was dark at 7.30pm. In darkness I reached the fishing pond, sandy road at 7.40pm.I ran about 4-5km and i finished the run at 8pm sharp.

Today Run (Runner Trail) - 15.2km, I overtake all Marathon Runner Danny Tai ,Young Hew, Super-oldman for their over ran yesterday 42.5KM SCKL marathon, Cheers, they completed today mother-hash run today.
