

AS IT WAS ON RUN 3861 BROGA LAU ER (13/11/2017) HARE :NG CHEE SENG SCRIBE BY: FRANK LOW

Today hare Ng Chee Seng has prayed for a good evening without raining. On-Sec arrives run-site on 4.30pm. All hashers are parking at LAO ER RESTAURANT, everyone is enjoying little Zooing session with four wild boar, cocks and chicken, ducks. Zuric Bee, Young Yap, JM Thomas Chin were enjoying grabbing Rambutans after parking their cars nicely, of course with the permission of orchard owner.

The extra hot weather makes everyone forget the raining season. Italian Alessandro Sherpa is coming to run too. Hashers are still talking about Kana's experience before run started.

Run start on time, the first Circle check was called On by front runner. Come to 2nd Circle check again, this time Michael, Sotong, Monkey, Ah Kah run across river to get a short-cut way instead. 3rd Check is forward check.

When come to Virgin Run Site, one should not worry about the "Fine" Run!!

Setting a Perfect run as well as delicious foods. Thank you, Thank You, Terima Kasih dedicated to Hare and the elegant running tights Pant.

I ran at the same run-site about 2 months ago for MKH Rotation Run, addition to Rotation Run is Circular Checks reminds me that could be same master mind for both runs. Hares could take the challenge for more creatives on trail.
